2. A nuisance letter will be sent to the owner of 3901 SW Parlington regarding the appearance and condition of the property.
3. The board wanted to note that there has been an increase of issues with the sanitary sewer lines. Kevin Holland made note that this is a city wide issue as well and is partly due to the fact that "flushable wipes" are NOT actually flushable and

are causing major clogs. Please refrain from putting anything besides toilet paper into the toilet.

George asked for a motion to adjourn. Rick made the motion.
